### Something New for Families in 2018

We have something new for families in 2018. It is called **Fourth Sunday Family Worship**. On the fourth Sunday of each month, all children age four and older will attend worship with their parents in either the 8:30 service or the 11:00 service. There is no 4 & 5's worship and no children's worship on the fourth Sunday of every month. As always, we will have Extended Teaching Care (ETC) for children birth to age 3 during both morning services every week. On all other Sundays throughout the year, we will continue to offer our 4 & 5's worship and children's worship. The only exception will be on Easter Sunday when families will once again worship together.

Why are we introducing **Fourth Sunday Family Worship**? Because we want children to feel valued as part of the larger church body. We want to partner with moms and dads by providing opportunities to model and worship with their children. We want children to have opportunities to experience the Lord's Supper, baptism services and multigenerational worship. In short, it is one way we can live out *"treasuring Jesus in our homes."*

**Good to know** -- Paramount's Prayer Quilt Ministry sews handmade, "tied with prayer" quilts for new babies in the Paramount family. Then a Sunday School teacher or a member of the Preschool Ministry team hand delivers those quilts to families. It's a great way to "cover" our babies in prayer.
